

SCIENCE PROGRAMMING ROBOTICS

Antelope Trails Elementary New lower Price!

After-school Science & Tech programs!

Robot Olympics

Students design, build and program awe-inspiring robots using LEGO's most advanced and newest robotics technology - the powerful MINDSTORMS® EV3. Create custom bots to participate in the famed ROBOT OLYMPICS!

Tuesday | Jan 24, 31 Feb 7, 14, 21, 28 | 3:45 - 4:45

Mission to Mars

Take an exciting journey through space! We will transform our laboratory into a NASA Command Center. The children will conduct experiments, design and build rockets and airplanes, learn about physics, propulsion, gravity, robotics and astronomy all while having fun!

Thursday | Jan 26 Feb 2, 9, 16, 23 Mar 2 | 3:45 - 4:45

Science Playhouse makes **STEM** exciting, interesting, and **FUN!** Your child will design, build, mix, program, experiment and feel like a scientist for a day!

Cost \$80 for each course
6 x 1 hour sessions

Grades: 1-6

Multi-course & Sibling discount
